

President James Buchanan
Presents
Gardens of the Susquehanna

The Guide Book costs \$20.00 and is your ticket to each garden

Each person on the tour must have a Guide Book to enter the
gardens on tour

There are 36 gardens on the tour

The first garden is open April 9, 2008; the last gardens are open on
October 19, 2008

There are over 150 days when gardens on the tour are open

The calendar in the beginning of the Guide Book tells you which
gardens are open and directs you to the page to find the garden you
would like to visit

Each garden has a page that describes the garden, lists the dates
and times that garden is open, and gives directions to the garden

All directions use President James Buchanan Wheatland, as a
starting point
